

Help your child login to Google Classroom by following the steps below. Teachers will use Google Classroom to share assignments, videos, links, websites, and tests. Google Classroom is a learning management system that helps your child collaborate, communicate, and learn at a distance with their teacher's help. Ensure your child logs in and is ready for the first day of school.

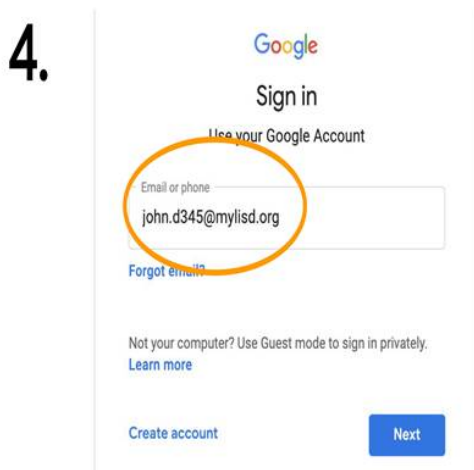

Click on the Google Chrome Browser icon.

Type www.google.com in address bar.

Click "Sign in" on the top right hand side.

Type your **district email** and click "Next". Your email is your first name, followed by a period, first letter of your last name, and the last three of your ID#, followed by **@mylisd.org**.

5.

Forgot password?

Next

Type your **password** and click "Next". Your password is your Last name with a capital letter and the first 4 numbers of your date of birth.

6.

Click on the grid or waffle icon on the top right hand corner. All Google Apps will appear.

7.

Classroom

Select Google Classroom App.

8.

Your classes will appear. Click on each title to view announcements, assignments, and Google Meet Link.
